Next to each activity or service the specific town is indicated by a different colour circle (as above) on the left side of the page.

A person is seen from behind, standing on a rocky mountain trail. They are wearing a dark long-sleeved shirt, a purple hooded jacket, and shorts. The sun is low on the horizon, creating a warm, golden glow over the mountain range. The word "activities" is written in a white, cursive font across the middle of the image.

activities

"It's been called, 'The Kilimanjaro of the Cape', and likened to the Otter Trail for its splendour. But in fairness, the Arangieskop Trail stands alone as something completely unique and spectacular."
